| La description                | IC HOTSWITCH 10BIT BUS 24-QSOP                     |
| Catégorie                     | Circuits intégrés (CI) > Logique - Commutateurs de |
| État de la pièce              | 911 pcs Stock                                      |
| Séries                        | 3VH                                                |
| Température de fonctionnement | -40°C ~ 85°C                                       |
| Type de montage               | Surface Mount                                      |
| Type                          | Bus Switch                                         |
| Package / Boîte               | 24-SSOP (0.154", 3.90mm Width)                     |
| Package composant fournisseur | 24-QSOP                                            |
| Tension - Alimentation        | 2.3 V ~ 3.6 V                                      |
| Circuit                       | 10 x 1:1                                           |
| Tension d'alimentation Source | Single Supply                                      |
| Courant - Sortie Haut, Bas    | -                                                  |
| Circuits indépendants         | 1                                                  |
| Emballage                     | Tape & Reel (TR)                                   |
|                               |                                                    |
