| Caractéristiques              |                                            |
|-------------------------------|--------------------------------------------|
| Modèle de produit             | 1812HC222MAT9A                             |
| Fabricant                     | AVX Corporation                            |
| La description                | CAP CER 2200PF 3KV X7R 1812                |
| Catégorie                     | Condensateurs > Condensateurs en céramique |
| État de la pièce              | 2638 pcs Stock                             |
| Tension - Nominale            | 3000V (3kV)                                |
| Tolérance                     | ±20%                                       |
| Epaisseur (max)               | 0.100" (2.54mm)                            |
| Coéfficent de température     | X7R                                        |
| Taille / Dimension            | 0.177" L x 0.126" W (4.50mm x 3.20mm)      |
| Séries                        | -                                          |
| évaluations                   | -                                          |
| Emballage                     | Bulk                                       |
| Package / Boîte               | 1812 (4532 Metric)                         |
| Température de fonctionnement | -55°C ~ 125°C                              |
| Type de montage               | Surface Mount, MLCC                        |
| Type fil                      | -                                          |
| Espacement des fils           | -                                          |
| Hauteur - Installé (max)      | -                                          |
| Caractéristiques              | High Voltage                               |
| Taux d'échec                  | -                                          |
| Capacitance                   | 2200pF                                     |
| Applications                  | General Purpose                            |
|                               |                                            |
