| La description                      | IC REG BUCK ADJ 1.2A SOT23-6                             |
| Catégorie                           | Circuits intégrés (CI) > PMIC - Régulateurs de tension - |
| État de la pièce                    | 5387 pcs Stock                                           |
| Tension - Sortie (Min / Correction) | 0.8V                                                     |
| Tension - Sortie (max)              | 36V                                                      |
| Tension - entrée (Min)              | 4.5V                                                     |
| Tension - entrée (Max)              | 36V                                                      |
| topologie                           | Buck                                                     |
| Redresseur synchrone                | No                                                       |
| Package composant fournisseur       | SOT-23-6                                                 |
| Séries                              | EZBuck™                                                  |
| Emballage                           | Tape & Reel (TR)                                         |
| Package / Boîte                     | SOT-23-6                                                 |
| Le type de sortie                   | Adjustable                                               |
| Configuration de la sortie          | Positive                                                 |
| Température de fonctionnement       | -40°C ~ 85°C (TA)                                        |
| Nombre de sorties                   | 1                                                        |
| Type de montage                     | Surface Mount                                            |
| Fonction                            | Step-Down                                                |
| Fréquence - Commutation             | 450kHz                                                   |
| Courant - Sortie                    | 1.2A                                                     |
|                                     |                                                          |
