| Caractéristiques              |                                               |
|-------------------------------|-----------------------------------------------|
| Modèle de produit             | CM1423-03CP                                   |
| Fabricant                     | AMI Semiconductor / ON Semiconductor          |
| La description                | FILTER RC(PI) 100 OHM/12PF SMD                |
| Catégorie                     | Filtres > Filtres EMI / RFI (LC, RC Networks) |
| État de la pièce              | 16620 pcs Stock                               |
| Tension - Nominale            | -                                             |
| Valeurs                       | R = 100 Ohms, C = 12pF                        |
| Type                          | Low Pass                                      |
| La technologie                | RC (Pi)                                       |
| Taille / Dimension            | 0.157" L x 0.057" W (4.00mm x 1.46mm)         |
| Séries                        | -                                             |
| Résistance - canal (Ohms)     | 100                                           |
| Emballage                     | Tape & Reel (TR)                              |
| Package / Boîte               | 20-WFBGA, WLCSP                               |
| Température de fonctionnement | -40°C ~ 85°C                                  |
| Nombre de canaux              | 6                                             |
| Type de montage               | Surface Mount                                 |
| la taille                     | 0.020" (0.51mm)                               |
| Commande de filtre            | 2nd                                           |
| protection ESD                | Yes                                           |
| Courant                       | -                                             |
| Centre Fréquence de coupure / | 145MHz (Cutoff)                               |
| Valeur d'atténuation          | 25dB @ 1GHz                                   |
| Applications                  | Data Lines for Mobile Devices                 |
