| Caractéristiques              |                                                      |
|-------------------------------|------------------------------------------------------|
| Modèle de produit             | ASM3P2274AF-06OR                                     |
| Fabricant                     | AMI Semiconductor / ON Semiconductor                 |
| La description                | IC FREQ MOD 4X EMI REDUCT 6TSOP                      |
| Catégorie                     | Circuits intégrés (CI) > Horloge / chronométrage -   |
| État de la pièce              | 2104 pcs Stock                                       |
| Tension - Alimentation        | 2.375 V ~ 3.6 V                                      |
| Type                          | Frequency Modulator, Spread Spectrum Clock Generator |
| Package composant fournisseur | 6-TSOP                                               |
| Séries                        | -                                                    |
| Rapport - Entrée: Sortie      | 1:1                                                  |
| Emballage                     | Tape & Reel (TR)                                     |
| Package / Boîte               | SOT-23-6 Thin, TSOT-23-6                             |
| PLL                           | Yes                                                  |
| Sortie                        | CMOS                                                 |
| Température de fonctionnement | 0°C ~ 70°C                                           |
| Nombre de circuits            | 1                                                    |
| Type de montage               | Surface Mount                                        |
| Contribution                  | Crystal                                              |
| Fréquence - Max               | 120MHz                                               |
| Diviseur / Multiplicateur     | Yes/Yes                                              |
| Différentiel - Entrée: Sortie | No/No                                                |
|                               |                                                      |
