| La description                | IC BUFF/DVR TRI-ST DUAL 20TSSOP                    |
| Catégorie                     | Circuits intégrés (CI) > Logic - Buffers, Drivers, |
| État de la pièce              | 2500 pcs Stock                                     |
| Tension - Alimentation        | 4.5 V ~ 5.5 V                                      |
| Package composant fournisseur | 20-TSSOP                                           |
| Séries                        | 74HCT                                              |
| Emballage                     | Tape & Reel (TR)                                   |
| Package / Boîte               | 20-TSSOP (0.173", 4.40mm Width)                    |
| Le type de sortie             | Push-Pull                                          |
| Température de fonctionnement | -40°C ~ 85°C (TA)                                  |
| Le nombre d'éléments          | 2                                                  |
| Nombre de bits par élément    | 4                                                  |
| Type de montage               | Surface Mount                                      |
| Type de logique               | Buffer, Non-Inverting                              |
| Type d'entrée                 | -                                                  |
| Courant - Sortie Haut, Bas    | 6mA, 6mA                                           |
