| Fabricant                     | Samsung Electro-Mechanics America, Inc.    |
| La description                | CAP CER 5PF 50V NP0 0603                   |
| Catégorie                     | Condensateurs > Condensateurs en céramique |
| État de la pièce              | 2583 pcs Stock                             |
| Tension - Nominale            | 50V                                        |
| Tolérance                     | ±0.25pF                                    |
| Epaisseur (max)               | 0.035" (0.90mm)                            |
| Coéfficent de température     | C0G, NP0                                   |
| Taille / Dimension            | 0.063" L x 0.031" W (1.60mm x 0.80mm)      |
| Séries                        | CL                                         |
| évaluations                   | -                                          |
| Emballage                     | Tape & Reel (TR)                           |
| Package / Boîte               | 0603 (1608 Metric)                         |
| Température de fonctionnement | -55°C ~ 125°C                              |
| Type de montage               | Surface Mount, MLCC                        |
| Type fil                      | -                                          |
| Espacement des fils           | -                                          |
