06031A6R8B4T2A

Référence fabricant:

06031A6R8B4T2A

Fabricant / Marque:

Avago Technologies (Broadcom Limited)

Une partie de la description:

CAP CER 6.8PF 100V NP0 0603

Livret des spécifications:

 [1.06031A6R8B4T2A.pdf](#)

 [2.06031A6R8B4T2A.pdf](#)

 [3.06031A6R8B4T2A.pdf](#)

Statut RoHS:

Sans plomb / conforme à la directive RoHS

État du stock:

New original, 2647 pcs Stock Available.

Bateau de:

Hong Kong

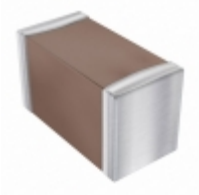

Manière d'expédition:

DHL/Fedex/TNT/UPS/EMS

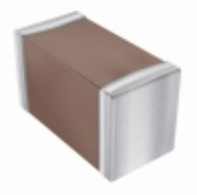

| Caractéristiques                         |                                                   |
|------------------------------------------|---------------------------------------------------|
| Modèle de produit                        | 06031A6R8B4T2A                                    |

| La description                           | CAP CER 6.8PF 100V NP0 0603                       |
| Catégorie                                | Condensateurs > Condensateurs en céramique        |
| État de la pièce                         | 2647 pcs Stock                                    |
| Tension - Nominale                       | 100V                                              |
| Tolérance                                | 6.8pF                                             |
| Epaisseur (max)                          | C0G, NP0                                          |
| Surface Mount Dimensions du terrain      | -                                                 |
| Taille / Dimension                       | 0.063" L x 0.032" W (1.60mm x 0.81mm)             |
| Séries                                   | -                                                 |
| État RoHS                                | Tape & Reel (TR)                                  |
| Courant d'ondulation - Faible fréquence  | Automotive                                        |
| évaluations                              | AEC-Q200                                          |
| Polarisation                             | 0603 (1608 Metric)                                |
| Température de fonctionnement            | -55°C ~ 125°C                                     |
| Type de montage                          | Surface Mount, MLCC                               |
| Niveau de sensibilité à l'humidité (MSL) | 1 (Unlimited)                                     |
| Délai de livraison standard du fabricant | 21 Weeks                                          |
| Référence fabricant                      | 06031A6R8B4T2A                                    |
| Type fil                                 | 0.035" (0.90mm)                                   |
| Hauteur - Installé (max)                 | -                                                 |
| Caractéristiques                         | -                                                 |
| Taux d'échec                             | -                                                 |
| Description élargie                      | 6.8pF ±0.1pF 100V Ceramic Capacitor C0G, NP0 0603 |
| ESR (résistance série équivalente)       | ±0.1pF                                            |
| La description                           | CAP CER 6.8PF 100V NP0 0603                       |
